RELIEF FIGHT STIRS SENATE

Economy-Minded Solons Charge SRA Head Asks For "Blank Check"

SACRAMENTO, (UP)—Senate conflict on the future of cash dole relief shared interest in the legislature today with dog racing, nepotism in the SRA, California's criminal syndicalism act, a proposed mediation board to settle labor disputes, and usury law.

Stumbling block in the senate was an assembly-approved resolution asked by Gov. Culbert L. Olson, to permit the finance director to allocate relief funds without strings, rather than require the SRA to spread its remaining funds until June 30.

Heavy grilling of state relief administrator H. Dewey Anderson and finance director Phil S. Gibson occupied the senate yesterday afternoon and a vote was expected following debate today.

Senate opponents of the resolution to permit SRA director Anderson to spend relief funds as needed differed from economy bloc members of the lower house on the question of procedure.

The assembly previously postponed consideration of an administration bill to appropriate \$4,500,000 for relief needs in May and June, with the understanding that Anderson would be permitted to spend approximately \$8,000,000 now on hand at the present rate of expenditure.

Economy-minded senators, however, indicated they wouldn't go along with this plan. They objected to what they termed "writing a blank check" contending that passage of the requested resolution would morally obligate them to vote for a deficiency bill when the money runs out.

Ralph Sutton Badly Burned

El Dorado Road Worker Becomes Human Torch In Accident On Wednesday

Ralph Sutton, 65, a member of the state highway maintenance crew at El Dorado, is at Placerville Sanatorium under treatment for second and third degree burns, received in an accident Wednesday morning.

His condition is serious and only his wife and his daughter, Dorian, are being permitted to see him.

According to the district office of the State Division of Highways at Smith Flat, Mr. Sutton was a member of a crew engaged in roadside burning about half a mile below El Dorado Wednesday morning.

In the burning operation, a kerosene burner is used and apparently a leak developed in the hose running from the kerosene tank to the burning nozzle, resulting in Mr. Sutton's clothing being sprayed with a quantity of kerosene which caught fire.

Mr. Sutton started to run, fanning the flames, and in his excitement ran through an area which was burning, adding further to the flames on his clothing. After running a distance of about ninety feet, he was overtaken by Clayton David, a fellow crew member, and thrown to the ground.

David and the crew foreman, Ernest Roy, beat out the flames and Mr. Sutton was removed to the hospital.

David suffered burns on both arms and Roy suffered burns on one hand while beating out the flames.

The Division of Highways reports that Mrs. Donna Schardt, who chanced to be driving past the site at the time of the excitement, loaned the crew a blanket to assist them in smothering the flames and afterward took Mr. Sutton to the hospital in her machine.

Mr. and Mrs. Harry Hobbs and Mr. and Mrs. Vern Edick and son, Paul, all of Dos Palos, Fresno county, spent the weekend at Smith Flat. They were old friends of Mr. and Mrs. R. E. Hampton and family.

CATHOLIC CHURCH

The last week of Lent is called Holy Week because it commemorates the closing events of the life of Christ, Our Saviour. Thursday is Holy Thursday because on the night before He died, sitting at the table with His apostles, Jesus instituted

the sacrament of the Holy Eucharist and the sacrifice of the Mass. Friday is Good Friday for on that day Christ bore His cross to Calvary and died on it for us men and for our salvation.

On Holy Thursday morning mass was celebrated in St. Patrick's church at 8 o'clock, followed by the procession of the Blessed Sacrament. Thursday evening at 7:30 there will be devotions and an appropriate sermon.

On Good Friday, the service of the Three Hours, commemorating the hours which the Son of God, the Saviour, hung on the Cross, will begin at twelve noon. It will include the solemn unweaving and adoration of the cross, the reading of the Passion as recorded by St. John with hymns and sermons dealing with the same sacred story, and concluding with the beautiful devotion of the Stations of the Cross.

On Holy Saturday morning, like services including the blessing of the Paschal fire, the Paschal candle and the baptismal font will begin at 8 o'clock.

There will be two masses Easter Sunday, at 8 o'clock and 10:30. The latter will be a High Mass, sung by the parish choir including Mrs. Catherine McKinnon, organist, Mrs. Helen Petersen, Mrs. Lucia Flynn, Mrs. Mildred Cook, Mrs. Marie Jones, Miss Lois Colwell, Miss Dorothy Lewis, Messrs. George McKee, Tom Flynn, Harry Soto, Charles Backus, and Chris Orelli.

Under the direction of Miss Hannah Timney and Mrs. Margaret Smith, the sanctuary will be beautifully decorated with lilies and carnations.

The Reverend Henry Walsh, S. J., will be here from Santa Clara University and will preach. The public is cordially invited to worship with us.

A rare treat is to be presented at the Full Gospel Assembly on Thursday and Friday nights of this week when Evangelist Paul G. Tedman, of Kansas City, will present his mammoth Biblical Oil Painting. This painting, fifty feet in length, required two years to complete and portrays the Bible in pictures from Genesis to Revelation, especially depicting events that will shortly come to pass according to prophecy. It has been displayed in Churches, Tabernacles, and Tent Meetings throughout the country on a coast-to-coast tour.

Mr. Tedman and his co-workers are also talented musicians and will present special music. The public is cordially invited to each service at 7:30 p. m.

Household Hint

It is more economical to buy two
foundation garments than one, so
that one can be tubbed while you
wear the other. You get more than
double service from your garments
by such an arrangement.
Lightweight foundations can usu-
ally be put into the tub or washer
and given a thorough cleansing with
a thick layer of suds and lukewarm
water. Heavier, boned garments are
best laid on a flat surface after
dipping in lukewarm water and
scrubbed with a well soaped brush.
Water of the same lukewarm tem-
perature is essential for the rins-
ing. The final step is to press out
the excess water, roll the garment
in a towel for a moment, pull it
gently into shape, and dry it at
moderate temperature, either on a
flat surface, or over a line without
pins.

How does the championship of the
Mother Lode sound, taking in Aub-
urn, Grass Valley, Lincoln, Jack-
son and our own club; to be played
about the middle of May on our
course? Arrangements will be start-
ed the first of next week. Watch for
the date.

It is planned to run our own club
championship and President's cup
tournament just before this event
so as to get everyone tuned up for
the big Mother Lode tournament.
So get out and work over your game
as the big-time play is not far
off.

Work is now going ahead on the
picnic grounds and they will be all
ready for Sunday, so plan to spend
your Easter Sunday at the club.
The course is in the finest shape
imaginable. The new greens are be-
yond expectations.

Joe Hearn, Ronald Cook and their
membership committee are doing
some fine work in interesting new
golfers. More power to all.

Some great golf was played last
Sunday on the ladder. Ronald Cook
recaptured first position by defeat-
ing Leo Burger 2 and 1. Burger re-
tained second by defeating Leo Bar-
rett one up. Barrett still holds the
third spot. Pete Peterson worked up
to fourth position by defeating J.
C. Wilson one up. Peterson also
challenged Bob Patterson and was
defeated 2 and 1. And Mike Kelly challenged
the two of them but lost 3 and 3, to
both.

Max Davey challenged and de-
feated Don Goodrich to improve his
position a great deal. Bob Roberts
then came along in the afternoon to
take Max, 5 and 4. Bob has really
climbed the ladder. These in favor-
able positions on the ladder had better
sharpen up as a number of our
"new" golfers are coming along very
fast.

Phil Reeg is far the most improv-
ed golfer of the past month. He
turned in a 39 Wednesday. Bernie
Edelman also is showing great im-
provement and Leo Burger has
sharpened up a great deal. Don't be
surprised to find him on top one
of these days. Dr. Rantz is climb-
ing back to the championship divi-
sion.

The ladies of the club are show-
ing a great interest. Mrs. Will-

stops growing after the fifteenth
year, but the lower portion
